### What's Your Story?—Contest

We urged our members to send in their funny or meaningful vacation stories, and received 8 story submissions. We sent a special mailing and put the information online, and asked our member base to vote on their favorite. We received hundreds of votes, and we are so pleased to announce that the **winner of the "One Week Vacation with Airfare for Two" prize is Irene Sullivan of Grey Eagle, MN!** Here is her winning submission:

Irene Sullivan (left) and her sister Marilyn (right)

*Marilyn and Eddie are hard working farmers from Minnesota married for 47 years now. They have consistently worked extra jobs to provide for their family of six children. Marilyn provided day care for 30 years and currently cleans homes. Eddie works at the granite sheds. Marilyn is my sister. When we invited them to Cabo, they were so excited. Neither one had ever see the ocean! Nor had they had many vacations.*

*We arrived in Cabo after dark. As we stood on the 7th floor balcony of our Del Arco suite, Eddie asked sincerely, "What's that sound?"*

*"What sound?"*

*"That noise - it's right out there."*

*"Eddie, that's the sound of the ocean," I replied.*

*"Really?"*

*"Yes, really."*

*"Oh my goodness, I had no idea." The next morning my sister Marilyn went out onto the balcony with an expression of awe on her face. "Oh my God, this is so beautiful! I didn't know*

*we would be so close to the water. And look at the ship and the pools and the wonderful landscaping! You didn't tell me it would be this nice." Tears welled up in her eyes as she hugged and thanked me. It filled my heart with joy. That day they walked the beach, got wet in the waves and tasted salt water!*

*As the week progressed both of them were so impressed with the helpfulness and hospitality of the Mexican people. The constant experience of friendliness made them feel at home and welcome. They also observed the excellent work of the gardeners and the housekeeping staff. Since they do similar jobs, they were really aware of what it takes to keep grounds and rooms lovely. It actually made me and my husband aware that we take these things for granted.*

*During their stay we did a lot of things, but nothing was more grand than simply sitting on the balcony watching the sun glistening on the sea blue water with its constantly moving ships, boats and colorful parasailing balloons. They could see whale spouts with binoculars, listen to seals bark, or simply become mesmerized by the undulating sound of the waves.*

*Before leaving, tears again appeared in my sisters' sincere blue eyes as she took one last look at the view of the water. "Now I know why you come here! We will go home filled with this beauty. Thank you."*

Rhonda Mayer, UVC Club Director

## CELL PHONES IN MEXICO

### Can You Hear Me Now?

Rule #1 for any vacation is “Turn off your phone!” But it’s convenient to be able to get a call or send a picture or text without having to go back to the hotel. When traveling in another country, however, it can be confusing or frustrating. But don’t throw your phone into the ocean just yet! Here are some steps to make it easier to stay in touch:

1. Ensure that your cell phone charger has the correct plug for Mexico. Mexico uses the same plugs as the U.S. and Canada, so you shouldn’t need an adapter unless your charger was purchased in another country. Check with your phone provider with any questions.
2. Ask your cell phone provider whether they offer phone coverage in Mexico. Request an upgrade to international roaming. This is often available on a month to month basis, so you will not be locked into a long-term commitment.
3. Consider “going native.” If you buy a cell phone just for international use, you will have a local number, use the local carrier and pay local prices (generally quite reasonable). In this case, you will need to purchase a SIM card (the little chip inside your phone) specific to Mexico. You can buy a prepaid SIM card and when the credit is low, you can add more credit by purchasing a scratch off voucher at a convenient store in Mexico and entering a pin code into that handset.
4. You can buy a phone in Mexico, use an old phone, or purchase an “unlocked” phone in the U.S./ Canada (this will allow you to use a new SIM card). Do a little online research for the best deal. Buying a phone in Mexico is easy and inexpensive. Check with Guest Services for the closest store.
5. Learn how to dial locally within Mexico. Unless your cell phone has

the same area code as the number you are calling, dial “01,” the area code and the phone number.

6. Learn how to call outside Mexico. First dial “00” (this is the international prefix to dial outside of Mexico). Then dial “1” (this is the international code used to dial to the U.S. or Canada). Follow that with the area code and phone number.

We have given you the basics—now it’s your decision whether you want to be reachable or not! Enjoy your next trip!

# EAGLES WINGS FOUNDATION

## Jim McCarthy Honored for Altruism

Congratulations to Jim McCarthy, Founder and President of Eagles

Wings Foundation, who was recognized recently at the first ever "Mi Casa Es Su Casa" Festival. This great event

was organized to pay tribute to the "snowbirds" and expatriates residing in Puerto Vallarta that regularly give their time and resources to local charitable organizations. Along with other foreign residents from organizations such as Toys for Tots, Make-a-Wish Mexico and SPCA, Jim McCarthy was thanked for his services through Eagles Wings. The award ceremony was held at City Hall accompanied by an inspiring speech by Mayor Resendiz of Puerto Vallarta, and was followed by an evening of entertainment and

delicious cuisine by local Vallarta restaurants.

**Bring a Thing** Eagle's Wings Foundation suggests you bring items badly needed by local schools, orphanages, and homes for the aged and other worthy organizations. Please take your gift to the UVC office in Puerto Vallarta or Cabo San Lucas where it will be collected and distributed by Eagle's Wings representatives. Thank You!!

for those extra pesos leftover at the end of your trip. Boxes are opened and distributed by EWF-designated representatives.

### In Memoriam

We join the Eagles Wings Board members in bidding farewell to Helen McCarthy, wife of Founder Jim McCarthy. A nurse by profession, Helen's humor and compassion touched everyone she met and she was ever at Jim's side as together they sought to give back to their adopted "home away from home" in Mexico. A celebration of Helen's life was held in her home state of Arizona. Our prayers and thoughts are with her family and friends.

*And He will raise you up on eagles' wings,*

*Bear you on the breath of dawn,*

*Make you to shine like the sun,*

*And hold you in the palm of His Hand.*

## Cabo Around Town

**Turtles in Los Cabos**—One of the most beautiful and unique creatures in Cabo is the Sea Turtle. Few places offer a better opportunity to see these creatures in their natural habitat, and get close to them, than

the Baja California Peninsula. Sea turtles have come to Los Cabos beaches to lay their eggs for millions of years. Two of the world's eight sea turtle species nest in Los Cabos. The Olive Ridley, also known as the golfina, is the smallest and nests from June to December. The Laud or Leatherback is the largest marine turtle, and nests from November to February. Sea turtles have suffered from the negative effects of fishing lines and nets, illegal poaching, and development, and are protected as endangered species. There are several non profit groups in Cabo who protect them.

For more information contact:

**Galeria Sergio Bustamante**—Sergio Bustamante is a Mexican artist and sculptor. He is known for his work

in paper mache, wood and bronze. He uses all these mediums to create unique, magical pieces. Much of his artwork features animal themes and colorful, fantastical creatures. His work is highly imaginative and is sought after throughout the World. Visit the Galeria Sergio Bustamante and many other art galleries in the Puerto Paraiso Shopping Center in the heart of Cabo San Lucas in the Marina.

## Mission San Javier

**T**he church, considered one of the most beautiful and well preserved of the Californias, was built with quarry stone from the brook of Santo Domingo 20 km southeast of San Javier. Its original baroque appearance has been well preserved. Its interior has a golden altarpiece with five oleos brought from Mexico City, two statues—one of San Francisco Javier and another one of Our Lady of Guadalupe—and a crucifix, all of these are from the 18th century. It has three bells dating almost 300 years. A monument known as the “Cross of Calvary” is at the end of the street leading to the church. From there hundreds of pilgrims who visit

the patron saint walk sometimes on their knees. The priests organized the construction of dams and irrigation channels, which can still be seen today, and grew wheat, corn, beans, and sugar cane. They also planted orchards of fruit trees, and introduced trades such as the weaving of wool, beekeeping, saddlery and cheese-making. Perhaps the most significant contribution was to show that grapes would thrive in this area, thereby initiating the wine industry in Baja, which is now one of the mainstays of the regional economy.

Baja wines are among the best in Mexico.

To get to San Javier where the church is located, take the junction to the dirt road of 37 km which is 7 km south of Loreto, in Kilometer 118 on the Transpeninsular Highway.

# Villa del Palmar Cancun

The Villa Del Palmar Cancun is located in the heart of Playa Mujeres in Cancun - a sophisticated and accessible city that offers all the diversity, excitement and relaxation the Mexican Caribbean is famous for. Cancun is known for its white sand beaches, gorgeous tropical weather, amazing bright turquoise sea, shopping, history and nightlife.

**Resort & Amenities Update** You deserve the finest accommodations and amenities available, and the Villa del Palmar Cancun promises just that! The beautiful one or two-bedroom Villa Suites include a complete kitchen with tile floor, a huge balcony or terrace, and spacious living and dining areas. Digital TV, iPod docks, living area queen Murphy bed,

central AC and ceiling fans, marble floors, and much more await you at your home-away-from home.

Phase I will include two restaurants, two pools with waterfalls and four Jacuzzis with total body water jets, trellises and hammocks throughout the public areas to relax, fire pits with fixed sofas (a great place to spend an evening under the stars!), Garden Massage areas, and the Kid's Club and Activity Center.

By August 2011 you can expect a new sushi restaurant, Palmita Market

and Deli (personal items, pharmacy, wines, food, beverages, desserts, ice and our fine selection of clothes and beach toys) and a Kid's pool. Finally, by early 2012 you can enjoy a fourth restaurant, an Infinity pool, a toddler's pool with dancing fountains, a snack bar, fully-equipped gymnasium and a state-of-the-art spa.

# Cabo Escape Tours

**Cabo Escape is a 70 foot power Catamaran** specially built for tours in the Cabo San Lucas area, with capacity up to 200 people. With an open format and two-level construction, we specialize in sunset cruises, whale watching, snorkeling, wedding charters and private parties. We are the second largest tour provider in Cabo but retain our "small boat" feel and never allow tours to be overcrowded or understaffed. All tours are designed with the client first and give guests a chance to relax, let loose and learn a little about the local customs and area while having the time of their lives.

Cabo Escape is also working to provide limited impact to the environment by using special waste containment systems to avoid dumping in our oceans. We use reusable drinking glasses and plates instead of plastic cups and Styrofoam plates. We recycle all aluminum, glass and plastics. We also utilize biodegradable cleaning products and carbon reducing

filters for engine maintenance. So you can enjoy your tour even more knowing that you are also doing your part to protect a beautiful natural resource.

We look forward to having you on board with us and are eager to hear from you. Call toll free from the US/Canada **1-866-885-6555** or in Mexico **52 (624) 154 2187**, or email [reserve@caboescapetours.com](mailto:reserve@caboescapetours.com). We guarantee you will enjoy our tours! Justin Benham, General Manager <http://www.caboescapetours.com/>
